**Paving Your Path
to Tomorrow, Today**

Fiber to the Core

At DOCOMO PACIFIC, we believe that fast, reliable, and accessible fiber internet is vital for every business. To usher in a smarter and more exciting tomorrow, we're committed to providing a connectivity experience that transcends boundaries. Whether you're a small growing business, or a large corporation, our fiber-powered internet solutions will help you digitally transform for the future – *Fiber for Everyone.*

Fuel your Business with Fiber

Immerse your business in a world of seamless possibilities with our cutting-edge suite of Fiber internet solutions. We're committed to providing your business with connectivity driven by the unmatched speed and dependability of Fiber internet.

- ✓ **Hybrid Fiber Internet**
Explore the possibilities with our Hybrid Fiber Internet, delivering robust connectivity using a combination of fiber and traditional coaxial to keep your operations running smoothly.
- ✓ **Wireless Fiber Internet**
Powered by fiber-fed cell towers, our Hybrid Fiber Internet serves as the ideal redundancy for your internet solutions, offering the fastest and most dependable backup option.
- ✓ **Business Fiber Internet**
Delve into the world of our Business Fiber Internet solution with a shared fiber connection from the curb to your business. Experience the unmatched speed and reliability that fiber brings to the table.
- ✓ **Dedicated Fiber Internet**
Businesses with mission-critical needs can rely on our Dedicated Fiber Internet, which actively delivers a secure, dedicated, end-to-end fiber connection, ensuring guaranteed speeds and uninterrupted uptime.
- ✓ **Managed Wi-Fi**
Get the equipment that maximizes your fiber connection, technology that makes network management easy, and premium technical support!

Managed Enterprise Wi-Fi

Meraki Firewall paired with Ruckus AP creates a secure and wide coverage area for your business with access to remote management.

Managed Business Wi-Fi

Our Plume WorkPass empowers you to manage your network safely and easily.

Wherever Business Takes You, Stay Connected

We're proud to offer you the island's widest mobile network, empowering you to engage in every opportunity and connect with confidence wherever business takes you.

Business Mobile Plans

Enjoy seamless connectivity on the region's most extensive mobile network. Our business mobile plans deliver the unmatched speed of 5G, tailored for companies that require extensive mobility.

Travel

Embarking on a business journey? Enjoy free roaming to U.S., Japan, South Korea, or the Philippines on select business mobile plans.

Stay connected to your contacts in the U.S. and internationally without swapping your SIM, phone, or DOCOMO PACIFIC plan by leveraging eSIMs to use two phone numbers simultaneously on compatible devices.

Use your local data plan to roam and stay connected to your business while traveling to numerous destinations for only \$10 a day with DOCOMO PACIFIC Data to Go.

Apple Business Manager

For Apple users, manage deployments, enroll devices and control administrative tasks on a secure platform with Apple Business Manager

MaxTrack Services

Hit the road to efficiency with DOCOMO PACIFIC's MaxTrack, a high-performance fleet-tracking solution that puts you in the driver's seat. MaxTrack offers smart features like full route monitoring, geo-fencing, multiple map views, and automated reports, all fueled by real-time fleet tracking.

Exclusive FirstNet Dealer

FirstNet delivers a single, nationwide network platform that's purpose-built to enhance communications across the entire public safety community. FirstNet is available to eligible customers - first responders and those entities who assist their emergency response efforts. FirstNet is built with AT&T in a public-private partnership with the First Responder Network Authority (FirstNet Authority).

Next-level Business Entertainment

Digital TV

Embark on the path to tomorrow and join the movement with digital TV. Immerse your guests in an elevated entertainment experience with our innovative solutions. Introducing dTV+, a streaming TV solution that empowers you to customize your TV setup at affordable rates, ensuring a tailored entertainment experience.

Hotel Entertainment Solutions

Enhance your hotel's guest experience further with our multi-feature, in-room entertainment platform, allowing you to personalize and deliver your hotel's exclusive channel lineup. It's a seamless way to provide guests with a unique and memorable stay.

Optimize Business Calls

Business Phone

Seamlessly connect with both local and global clients using our affordable business phone plan, equipped with essential features such as call forwarding, voicemail, auto attendant, and more.

PBX and SIP Trunks

For those seeking a secure and private communication line exclusive to their organization, our Hosted PBX and SIP Trunks allow you to maintain control and monitor communication lines with ease.

I.T. Services

We'll take care of I.T. for you.

Our customized Managed IT Services provide you with expert IT support required for seamless business operations. Entrust us with your daily IT responsibilities, freeing up your time from troubleshooting IT issues and allowing you to concentrate on crucial activities such as expanding your business.

Safeguard and Link Your Digital Investments

Discover the ease and reliability of our Data Center Colocation services. We provide the space, power, cooling, security, and connectivity your business needs for its hardware and servers. With DOCOMO PACIFIC, you get a rock-solid 99.99% uptime guarantee – so you can focus on what matters most: your business, not data center hassles.

Why Choose DOCOMO PACIFIC?

- ✓ **Comprehensive Internet Solutions:** We offer a comprehensive portfolio of internet solutions, fueled by fiber, and make them accessible with cost-efficient offerings.
- ✓ **Widest Mobile Network in the Marianas:** Our extensive coverage ensures uninterrupted connectivity
- ✓ **Extensive IT Services:** Comprehensive IT support, including network security, data management, and cloud solutions.
- ✓ **Forward-Thinking Technology and Innovation:** Stay competitive and future-ready with cutting-edge technology and strategic insights.
- ✓ **Ideal Choice for Business Success:** Choose DOCOMO PACIFIC Business for telecom and IT solutions that help your business thrive in today's fast-paced landscape.
